Restaurants

Nearby Edelény (20 km) has several restaurants, of which the country-style Templomkerti Kisvendéglő and the more upmarket 'A Bárány' (in the park of the palace) are recommended. For real fine dining the 2022 BIB Gourmand winning 'Anyukám Mondta' restaurant in Encs with its reputation of national scope is highly recommended - but it will take you 45 minutes to get there.
